

OUR BACKGROUND AND VISION

Gratitude Initiative was founded in 2015 by Girma Bishaw to encourage and promote a gratitude culture in Britain. Our vision is to introduce gratitude as a tool and language that transforms and fuels the way we approach solving individual and social problems resulting in harmony and wellbeing.

WHAT IS GRATITUDE SUNDAY?

An annual church service involving the community to express gratitude to God and to appreciate individuals. It is our vision for UK wide churches to host a Gratitude Sunday service annually, starting in 2021. Our next Annual Gratitude Sunday will be on Sunday 29th May 2022.

WHY HOST A GRATITUDE SUNDAY SERVICE?

1. To connect with the community.
2. To facilitate a platform for collective gratitude and to celebrate the lives of those we have lost due to the pandemic.
3. To create a bridge and gospel opportunity.
4. To express our gratitude with one voice to God for His provision & protection over our nation.
5. To inform and transform the way we see and relate to each other.

HOW CAN WE IDENTIFY PEOPLE TO INVITE TO THE GRATITUDE SUNDAY SERVICE?

- Asking our congregations to participate in the invitation process
 - They know the heroes in their neighbourhood
 - They know positive stories that happened in the area
 - They know people who have lost their loved ones and willing to share their story
 - They can invite their neighbours to join the gratitude service
- Identify Charities or Initiatives which started particularly, not exclusively during the pandemic and invite them to the service.
- Identify individuals who are in the public sphere and live in the neighbourhood
 - A councillor, journalist, politician etc. to come and participate
- Prepare invitation letter. (Template to be provided)
